MEMORANDUM FOR THE RECORD

SUBJECT: Termination of [REDACTED] 21 August 1970

STATINTL

I called Mr. Robert Wattles, Director of Personnel, who told me that Personnel has been delayed in preparing a memorandum for the guidance of Legislative Counsel in this case. The Office of Personnel was awaiting a necessary memorandum from the Office of Security and may not be able to forward the necessary guidance to us until next week. My call to Mr. Wattles was prompted by a follow up call from Miss Alma Moore, Assistant to Representative F. Edward Hebert (D., La.), for information. [REDACTED] was formerly employed in the Federal Building in New Orleans where Representative Hebert maintains his office, and his mother is still a constituent of Representative Hebert's.
